

There is no limit to what we, as women, can accomplish.

As the **first** of its kind in Calgary, the **Empower US Gala will be honouring 12 women from the city** who are now successfully leading influential businesses/non-profit organizations in Canada. Taking place on **November 17th, from 7:00pm-11:30pm, at KannaVolve/Relentless TC 4122 6th St. NE, Calgary, Alberta T2E 8C8**. All proceeds from the Gala will be going towards the registered non-profit organization Green Sparrow Care's project "Little Sparrows Entrepreneurship Program."

The Empower US Gala will highlight the stories of these "**Agents of Change**," engage the women in a **panel discussion**, provide a **networking opportunity**, and a chance to win a **mentorship time** with **each woman** in a silent auction. This is a formal black or white attire event. Be entertained by music and an art show hosted by Armand Flores, founder of PROfolio Photography. In addition, enjoy food, cocktails, and a raffle draw. For more information regarding the 12 women, please visit <http://greensparrowcare.com/empower-us/>

As stated previously, **all proceeds will of the Gala will go towards the Little Sparrows Entrepreneurship Program, which provides the tools and resources needed to encourage an entrepreneurial spirit in children**. The program will foster an entrepreneurial thinking culture, provide the opportunity for students to apply their knowledge in a practical setting, and engage in social giving. The successful pilot program took place with a Grade 2 class at Sturgeon Heights School in St. Albert, Alberta, and is now seeking funding to expand to more classrooms both in Calgary and Edmonton. For more information about the Little Sparrows Entrepreneurship Program, please visit: <http://www.greensparrowcare.com/littleSparrowsPage.html>

Green Sparrow Care is a non-profit organization committed to working in partnerships to provide the tools and resources needed to help build healthy and sustainable communities. The non-profit organization provides the following:

Community and Social Development:

- Health Promotion and Training: Equip community members with skills and knowledge to respond to sudden medical emergency situations.
- Maryam School for Girls: Provide food, shelter, clothing and access to basic education and skills training for vulnerable girls.

Economic Empowerment:

- Economic Empowerment: Encouraging an entrepreneurial spirit to help individuals think innovatively and develop sustainable business solutions.
